Woodhill Sands Autumn Series

The Woodhill Sands Story

Woodhill Sands is a story of collaboration across the equestrian community, to ensure a lasting place for equestrian sports competition and training in the Auckland Region. Woodhill Sands Equestrian Centre is a community led development purchased by the sport through The Woodhill Sands Trust, in October 2017 to secure ongoing access to this wonderful venue.

The equestrian community undertook extensive fundraising, collecting funds for the required deposit, allowing the Trust to complete the purchase. This occurred in October 2017 with a 20-year mortgage from ASB Bank with support from Auckland Council as guarantor.

Woodhill Sands is now owned by the sport and all the riders that come from far and wide to train and compete at the facility

Woodhill Sands Trust and other groups from across the riding community hold events throughout the year catering for all levels across all the different areas of our sport.

Woodhill Sands is the only venue with a 100% natural, all-weather surface (sand based). This provides a wonderful solution for a riding surfaces to enable year round competition and training activity. Indeed, participation extends for a full 12 months across multiple disciplines most weekends. Elsewhere, winter competition on this scale is very limited due to unsuitable ground conditions. As a result, Woodhill Sands is a key venue for horse riders to train and compete all year round.

The Team at Woodhill Sands are excited about the future and look forward to sharing it with riders, supporters and spectators for many years to come.

We hope to see you soon!

Practice XC & SJ

**30TH MARCH, 27TH APRIL, 11TH MAY
& 17TH MAY**

These fun training days are a great chance to get your horse jumping cross country and show jumps, There is usually one fully set Show Jumping course that you can adjust heights according to your experience level and practice rounds or a few jumps, plus a variety of cross country fences, which may include banks, ditches, corners, mobiles, skinnies and water etc. Room may be limited depending on weather, however with almost 3 acres of sand arenas we are guaranteed to run.

Riders are required to wear back protectors and provide emergency contacts if riding alone.

We strongly recommend having a friend, instructor or family member with

you when you jump, however we will have a staff member on hand at all times when you are jumping.

Fences open for jumping will be flagged. Just like in a normal competition situation we ask that you keep the red flag on your right hand side when jumping any fences, this will keep the track around the jumps flowing and avoid head on collisions.

We ask that all riders show courtesy to others riding in the same practice session (we try to limit the sessions to four riders per half hour) to give everyone space.

Time slots open from 9am.

9am - 12pm Jumps set 60 - 80cm

12pm - 1.30pm Jumps set 80 - 1.00m

1.30pm - 2.30pm - Open heights at riders discretion.

Course closes at 3.30pm so course can be set the next day for the Mini ODE.

**** JUST WANT TO DO THE 50cm course We have slots for this too at the reduced cost of \$30 (if booking these slots you cannot jump the 65 - 95cm cross country or SJ courses).**

Bookings are required - spaces are limited.
